Greetings Fellow Knights Party Associate:

As you are fully aware the politicians – local, state, and nationally- continue to betray white Christians. Our church leaders are even more traitorous; as Isaiah 56:10 & 11 tells us;

His watchmen (meaning preachers-perhaps politicians as well) are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain, from his quarter.

God is looking to us to be leaders; to be “good shepherds”; unlike those that claim to be shepherds, but are really dumb dogs that can’t bark and love to sleep. He is looking for white Christian men and women of strong and noble character to sound the alarm. He is looking for you to fulfill your role in bringing the Message of Hope and Deliverance to our nation, His nation; our race, His race.

Your association is truly valuable, and as a trusted associate, we are counting on you to gather the information in this packet for your town, or the town already assigned to you. You have demonstrated terrific dedication and loyalty. We believe that you have leadership skills and assigned tasks such as this are given to those whom we believe we can count on, and will rise to the challenge, just like the shepherd that protects his flock for wolves. By completing the information packet to the best of your ability you become a key step in the process in helping us at Headquarters to better coordinate the message our people so desperately need to hear.

Just think of the white girl that could not see, could not speak, and could not hear. In time she communicated to the world,
“I am only one, but still I am one. I cannot do everything, but still I can do something. I will not refuse to do the something I can do.”

If Helen Keller could communicate that message to us, then think how simple it is by comparison, for you to rise to the challenge of completing this packet.

As General George S. Patton said, *“Accept the challenge, so you may feel the exhilaration of victory.”*
