General Information:

List anything else about this town you think may be of use to The Knights Party HQ staff.

Notes:

Almost all this information need on this form can be obtained form "Google" searches in the town and state along with the word "demographics" included. List what information you can. You don't need to list every single radio station, just the more popular ones- perhaps one country, one rock, one talk, one sports, etc.

Some towns only have one newspaper, the additional lines are for those that have more than one.

Feel free to include more businesses and prominent people if you know of more.

FAX numbers are a real goal; even if you can find a address, a fax number is really important.

**KEEP OF COPY OF THIS YOURSELF AND UPDATE IT AND SEND TO HQ PERIODICALLY,  
PREFEBERALLY EVERY 6 MONTHS!**

**Hint: After newly elected officials are sworn in is a great time, and then every 6 months after that.**
