What is Family Watchdog?

Family Watchdog is a website that allows you to see where registered sexual offenders live and work around you.

This flyer is provided to you solely as an informative tool from The Knights Party. We believe the adage "Knowledge Is Power." Therefore, the purpose of The Knights providing this flyer to you is to empower you with information that aids your ability to identify sexual predators that you & your family members may come in contact with, not as a tool to hunt them down and run them out. We are doing this because we care about your community and the safety of your family. Working together in a positive way, we can make a difference in the lives of our children, our communities, and our nation.

WARNING:

Harassing anyone on the offender registry is a misdemeanor and you can be punished by both a fine and jail time.

The Knights Party is 100% legal and law abiding political party.

.....

We are here to unite people and to raise a standard in the land. We hope you will carefully view our site, www.kkk.com with an open mind and consider what part you can play in bringing a message of hope and deliverance to our people. It is time you learned the truth.
