**Bring the Planes
and Trains**

Send the Nat'l Guard

On May 1, celebrated as an international Communist holiday, hundreds of thousands of known criminals, also called illegal immigrants, march through the streets of America in an attempt to provoke the politicians in Washington D.C. into granting them permanent permission to topple our once great republic. Masses of Asians and Africans should inundate Europe and America. If there is any strength that we have, it is in the numbers. Three fourths of the world is either black, brown, yellow or some combination of these.."
