

Public Notice

- Tired of paying taxes on top of taxes?
- Tired of forever being in dept to the national credit system?
- Tired of not only working one job but many times two, just to make ends meet?
- Are you fed up with the political leaders?
- Do you want the Constitution of the United States preserved?
- Do you feel violated by un-Constitutional laws on national, state, and municipal levels?
- Do feel that America is becoming unstable due to increasing third world immigration?
- Do you feel victimized by affirmative action?
- Should we be taking care of U.S. citizens before we support third world countries around the world and third world immigrants here in America?
- Are you worried about the diminished status of women and children when America becomes majority non-white?

There is a way you can help. Please write to:
