

Sen. Harry M. Reid (D NV)
202-224-3542

Please call Senate Majority Leader Harry Reid and urge him to schedule a vote for Senator Rand Paul's S. 202 the Federal Reserve Transparency Act of 2011.

Senator Harry Reid vows not to put Audit the Fed to a vote in the Senate.

Despite the fact that...

Audit the Fed (H.R. 459) passed overwhelmingly in the House of Representatives by a bipartisan vote of 327-98.

Roughly 80 percent of Americans support auditing the Federal Reserve.

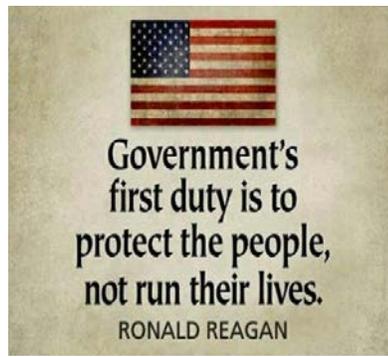

Harry Reid endorsed auditing the Fed in 1995.

"I think it would be interesting to know about the Federal Reserve. I think we should audit the Federal Reserve. It's taxpayers money that is being used there" - Harry Reid quote from 1995.

"There is no entity in the world that controls our lives more than the Federal Reserve System" - Harry Reid quote from 1995.

WE THE PEOPLE HAVE THE POWER.
