Nationwide Crusader Distribution Soon Underway

The next nationwide Crusader newspaper distribution is fast approaching, and we are asking associates and supporters to please order your bulk quantity ASAP. Despite the benefits of the internet, there is nothing like local distributions of Knights Party literature and newspapers. This puts a local emphasis on our activities and helps to drive visitors to our websites; including the media. With increasing bans on white Christian patriotic ideas on social media sites, it is vital for the public to have access to a hard-hitting newspaper like The Crusader. And as just stated previously, while we realize you can't distribute a newspaper to everyone in your town or city, it does help direct people to The Knights so they can learn more about our treasured principles.

New Recruiter in AR

Mrs. Dorothy H. was recently promoted to recruiter after completing the application process and being interviewed by HQ. Recruiters must hold the position of Knight and be interested in forming a local unit. Those who hold Knighthood status and have asked for and received recommendation from a national officer can serve as a Knights Party Delegate and contact for other associates in their state or area.

A Special Thank you to Seth K. of Arkansas and Bobby P. of North Carolina for their effort on the Knights Party Message Board at www.TheKnightsParty.com The message board is even more important now as social media sights have announced they are banning any type of white patriotic Christian (White Nationalist) posts.
